Gospel Discipleship

Synopsis: The Gospel of John has a striking number of one-on-one moments like this one between Jesus and Peter at the end. Jesus meets people where they are and invites them to make the next step, and each invitation is very personal and crafted to that person and moment. Johannine disciples grow in a similar way: by being mentored in the faith, and in turn by mentoring others in the faith.

Prayer

Our thoughts and prayers go out to Earnestine Clark and her family. Earnestine has been admitted to Twin Rivers.
